The Logan Acres Community Foundation

Raising funds and providing resources for projects and items needed to enhance quality of life for residents of Logan Acres Senior Community.

A few of our projects

The Foundation has used monetary donations for projects such as stained glass windows for the chapel, patio furniture, therapy equipment and an aviary.

The largest project to date has been the beautiful gazebo at the center of campus that is used for events, activities and even a resting place for physical therapy participants.

Giving Thanks

A donor recognition board is in the lobby at Logan Acres Care Center commemorating contributions to the Foundation.
