Greetings everyone!

We hope all of you are managing well during this difficult time. We are strictly following the CDC and Ohio Department of Health guidelines and although we understand your frustrations, we hope to hear our open date soon and thank you for sharing time with your family members during window visits.

We continue to be diligent in using face masks and face shields while caring for your family member and we continue to offer encouragement and fun activities to staff and residents. As you can imagine, the hours do get long without all of you coming and going. The team at Logan Acres is continuously cleaning and disinfecting frequently touched surfaces multiple times daily and we miss seeing all of you too.

In response to Governor DeWine's newest order, we do expect for all residents and employees to be COVID tested very soon and we will notify you prior to testing.

During the month of June, we are hosting a 'talent show' for all our 'talented' residents and staff to showcase their special gifts! Also, please mark your calendars and come spend some time with us as we host a 'Parade' on June 11th from 6 p.m. to 7 p.m. in our front round-about driveway. You might just see someone you know, from a distance, sitting outside on the front lawn.

We are very grateful for our community supporters! Recently, three local businesses treated us to fresh, hot pizza. Many thanks to Richwood Bank in Huntsville; Stites Grocery Store and Desperado's Pizza for making our day! We also received delish cupcakes from our management team at Progressive Health Care Systems and our very own Logan County Commissioners are hosting a doughnut day on June 3rd for all residents and staff!

If you have any special requests or would like to schedule a window visit using cell phones, Messenger, or Skype, please call Kim Eagy, in activities at (937) 599-7067.

Stay safe and be well! We appreciate your patience as we continue our efforts to keep everyone safe and healthy.

Lorraine Fischio, Administrator

We would like to invite families to take part in a drive-thru parade in our circular drive from 6:00-7:00 pm on June 11th. Families are welcome to decorate their cars, hold up signs or balloons, and broadcast words of encouragement and love! If you can attend, please contact Kim Eagy, Life Enrichment Director. Our team will help your loved ones outside and let them know to expect you.
